WHY SHOULD YOU HELP STEPHEN?

- ▲ Without a proper defense, Stephen may end up going to jail for 15 years for something he did not do
- ▲ A proper defense against the US government will cost over \$1 million & even after depleting his family's life savings, he still needs to raise over \$500,000
- ▲ With no allegation of a motive or intended harm to the US, the government's use of Stephen as an example to deter the leaking of information is inappropriate
- ▲ Tell Washington that our community won't stand for our ethnicity to be used against us & that we demand the dismissal of this unjust case
- ▲ Push the visibility of the Korean-American community to the national forefront and show the country that we are united in one voice in standing behind one of our own
